

COPSHAHOLM

ACTIVITY SHEET

GRADES 4-6

1. When did the Oliver family move into Copshaholm?
2. The outside of the house is built of _____.
3. The Carriage House was built as a place to keep the Oliver's _____.
4. The Oliver's built their home on West _____.
5. The house has _____ rooms.
6. The house has _____ fireplaces.
7. The _____ quarter contains bedrooms, bathrooms, and a sewing room.
8. What types of things were stored in the butler's pantry?

9. List objects you see in Joseph Jr.'s room (third floor):

10. The kitchen refrigerator was originally cooled by ____.

The Oliver's built Copshaholm to be a very special place and it continues to be a very important landmark in our community today. The home represents the making of a dream come true: that an immigrant could come to the United States in the 19th century and with hard work and ingenuity could find opportunity. That's exactly what happened to the Oliver family.

Thanks for visiting Copshaholm. You can find more fun activities on our website www.centerforhistory.org/education.html
